RE: Dunmore Borough/Keystone Sanitary Landfill Phase III Application

Dear Mr. Tomayko:

As you are aware, two members of Dunmore Borough Council were present at the May 20, 2014 meeting regarding the Keystone Sanitary Landfill. The purpose of this correspondence is a carbon copy of our neighboring municipalities' request. Dunmore Borough is also requesting the same reply to the following:

1. Extension of time beyond sixty (60) days to review and respond to the Phase III application.
2. Scheduling of a public meeting.
3. Scheduling of a public hearing.

In addition, if you are aware of any grant/funds available to hire a third party to review the application, please notify the Dunmore Borough as well.

We would like to thank you for your time, attention and prompt response in this matter.

Best regards,

Dunmore Borough Council
